Sir:

On the recently received Filing Receipt (copy enclosed) the Domestic Priority Date as claimed was shown as "data inconsistent with PTO records." We respectfully enclose a copy of the filing receipt that was mailed 8/22/00 that NASA received for the Provisional Patent. Upon review, we believe the recently filed Application Serial No. 09/903,260 did claim the benefit of the right provisional patent application. For this reason, it is respectfully requested that the Request for Correction be withdrawn. I am available at your convenience to discuss the matter.

Respectfully submitted,
